For officials undertaking the British Swimming Judge 1 Course the first 4 signatures the Trainee requires are working as a Timekeeper and the 5<sup>th</sup> signature is working as a Chief Timekeeper. These signatures can either be collected once the Trainee begins the Judge 1 Course or if the Trainee can provide evidence that they have worked in these capacities prior to beginning training then they will be credited with having completed the first part of the Judge 1 Course.

This form is a District produced record that prospective Judge 1 Trainees can use as evidence when they begin the Judge 1 Course. Just take the form to a meet and get the Referee to certify that you completed the appropriate duty satisfactorily. Please note it must be a qualified Referee who signs your form.

When you have completed the form keep it for your own records until you go to your first Judge 1 Workshop when you should give it to your Course Instructor.

**Note to Referees:** Please ensure that the Candidate has entered their name above – in ink before you sign the form.
